C. ADDITIONAL INFORMATION NOT COVERED ABOVE

1. MILILANI TOWN COVENANTS. The Declaration of Condominium Property Regime provides that all present and future apartment owners, tenants and occupants of apartments shall be bound by and subject to the provisions of that certain Declaration of Covenants, Conditions and Restrictions for Mililani Town dated April 19, 1968, filed in the Office of the Assistant Registrar of the Land Court of Hawaii as Document No. 441561, as amended by instrument dated May 22, 1968, filed in said Office as Document No. 445150, and as further amended from time to time (the "Mililani Town Covenants"). The Mililani Town Covenants provide, among other things, that each apartment owner, by virtue of being such an owner, shall be a member of the Mililani Town Association and shall pay assessments to the Mililani Town Association, as set forth in the Mililani Town Covenants.

2. REPAIR AND MAINTENANCE OF APARTMENTS AND COMMON ELEMENTS.
The By-Laws provide that every apartment owner shall at his own expense at all times well and substantially repair, maintain, amend and keep his apartment, including without limitation all doors, sliding glass doors (if any), windows, window fixtures, and all internal installations within the apartment such as water, electricity, gas (if any), telephone, sanitation, lights, and all other fixtures and accessories belonging to such apartment, if any, and the interior decorated or finished surfaces of all walls, partitions, floors, ceilings and roofs of such apartment, if any, with all necessary repairs and amendments whatsoever in good order and condition, except as otherwise provided by law or the Declaration, and shall be liable for all loss or damage whatsoever caused by his failure to perform any such work diligently, and in case of such failure after reasonable notice to perform shall reimburse to the Association promptly on demand all expenses incurred by it in performing any such work authorized by the Board of Directors or the Managing Agent.

In addition, each apartment owner shall at his own expense at all times well and substantially repair, maintain, amend and keep the yard area, if any, appurtenant to and reserved for the exclusive use of such owner's apartment, in good order and condition, and shall be liable for all loss or damage whatsoever caused by his failure to perform any such work, and in case of such owner's failure after reasonable notice to keep the yard area, if any, as aforesaid, the Association (through the Board of Directors or the Managing Agent) shall have the right (but not the obligation) to perform any such work and the cost thereof shall be charged to such apartment owner as a special assessment constituting a lien against his interest in his apartment which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.

Except as hereinabove expressly provided to the contrary, all maintenance, repairs and replacements to the common elements, whether located inside or outside of the apartments, shall be made by the Board and be charged to all the owners as a common expense or a limited common expense; provided, however, that any such maintenance, repair or replacement necessitated by the negligence, misuse or neglect of an apartment owner or occupant or any person under either of them, shall be charged to such apartment owner or the apartment owner of the apartment of such occupant, as a special assessment constituting a lien against his interest in his apartment which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.

3. LANDSCAPING OF YARD AREA. Each owner shall landscape the Yard Area assigned to his apartment, if any, within ninety (90) days after the closing of the purchase of the apartment (unless the Yard Area has already been completely landscaped). Before commencing any Yard Area landscaping, each owner shall submit to the Board of Directors a landscape plan (which shall include, without limitation, the location of any proposed lanais, patios, paved surfaces or wood decks within the Yard Area and a proposed plant list) for the Board's review and written approval, which approval shall not be unreasonably withheld or delayed. Prior to the installation of any lanai, patio, paved surface or wood deck within a Yard Area, an owner shall arrange for termite treatment of the area under such lanai, patio, paved surface or wood deck.

4. MEDIATION/ARBITRATION OF CERTAIN DISPUTES INVOLVING THE DEVELOPER OR DEVELOPMENT TEAM MEMBERS. The Declaration of Condominium Property Regime

provides that if any dispute or claim arises in connection with the design, development, construction, sale, marketing, financing, warranties, or any other activity or matter relating to the Project, between one or more apartment owners and/or the Association, on the one hand, and the Developer, on the other hand (a "Dispute"), and the parties to such Dispute are unable to resolve the Dispute through negotiation, the apartment owner(s), the Association and the Developer will attempt in good faith to settle such Dispute by non-binding mediation conducted in Honolulu, Hawaii. The mediation shall be conducted under the Commercial Mediation Rules of the American Arbitration Association ("AAA") except as may be inconsistent with this section; provided, however, that the parties may agree on the selection of a single mediator instead of having a mediator appointed by AAA, and the parties may agree to use a recognized mediation service other than AAA. The costs for the mediator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the mediation. At the Developer's option, the mediation shall include any of Developer's agents, architects, consultants, engineers, contractors, subcontractors, suppliers, representatives or other third parties (the "Other ADR Parties") as parties.

If the parties are unable to resolve the Dispute through mediation as provided in the preceding section within 30 calendar days after either party's written request to the other to commence the mediation process, then such Dispute shall be decided in Honolulu, Hawaii, by neutral binding arbitration. The arbitration shall be conducted before a single arbitrator acting under the Commercial Arbitration Rules of the AAA, except as may be inconsistent with this section; provided, however, that the parties may agree on the selection of a single arbitrator instead of having an arbitrator appointed by AAA, and the parties may agree to use a recognized arbitration service other than AAA. Judgment upon an award rendered by the arbitrator may be entered in any court having jurisdiction thereof in accordance with Chapter 658 of the Hawaii Revised Statutes. The costs for such arbitrator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the arbitration. No punitive damages shall be awarded in any Dispute involving an apartment owner, the Association, the Developer or any Other ADR Parties. At Developer's option, the arbitration shall include any of the Other ADR Parties as parties.

5. SECURITY GATE. The main entrance to the Project may also provide access to other developments in the vicinity of the Project and may include a security gate to limit vehicular traffic. The Developer will pay a portion of the cost of the maintenance of the security gate, if any, for a limited period of time.

6. RIGHT OF ENTRY AND EASEMENT. The Developer reserves the right to enter into an agreement with the Board of Water Supply of the City and County of Honolulu to permit the Board of Water Supply to enter upon and across a portion of the Project for the purposes of ingress to and egress from the Board of Water Supply's reservoir located in the vicinity of the Project. In addition to other rights reserved in favor of the Developer as provided in the Declaration, the Developer reserves the right to grant an easement to the Board of Water Supply over, across and upon a portion of the Project for access purposes.

7. MASONITE HARDBOARD SIDING. The buildings in the Project contain Masonite Hardboard Siding. In 1994, homeowners filed a class action lawsuit against Masonite Corp. ("Masonite") and others in the Circuit Court of Mobile County, State of Alabama. This lawsuit was initiated on behalf of all individuals or entities owning property in the United States on which Masonite Hardboard Siding has been incorporated and installed from January 1, 1980 to January 15, 1998. The class action lawsuit alleged that there were problems with the Masonite Hardboard Siding and Masonite disputed the allegations. On January 18, 1998, the Circuit Court of Mobile County, State of Alabama, approved a settlement between Plaintiffs and Defendants, including Masonite, in this class action. The Court specifically noted that the settlement was a compromise of disputed claims and is not to be taken as an indication of liability or that damages have been, or would be, found against Masonite if the action proceeded. The settlement does not automatically require the replacement of all Masonite Hardboard Siding and, in order for any class member to recover, that class member must have actually sustained compensable damage as set forth in the settlement. Seller has received complaints from some homebuyers about Masonite Hardboard Siding. These complaints only involve a minority of homes on which Masonite Hardboard Siding has been installed and it is not known whether these complaints are related to the problems alleged in the class action. Additional information regarding this matter is available at the Seller's sales office.

- D. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.
